## Additional Details

---

Additional Details: My name is Zhelyazko and I am 20 years old. I have worked on programming for nearly a year and in this time I have gained some experience in computer languages and in different technologies. Now I'm looking for my first job to start my carrier and gain some extra knowledge in web development. This is a link to my GitHub profile, where I have some projects: <https://github.com/Zhelyazko777>
